& TRAFFICKING

## CAST's ANNUAL GALA

is celebrating 20 ground-breaking years of empowerment, advocacy and leadership to end human trafficking in our community. Celebrate with us at this signature event, recognizing and honoring a select group of change agents representing a diverse community of businesses, government, faith-based and civic leaders who have committed themselves, together with survivors, in the unyielding fight to end modern slavery in our region.

We are going big this year for our 20th celebration! Join us May 10, 2018 in recognizing cutting-edge industry leaders and partners for their unwavering commitment and creativity in combatting human trafficking – providing our 500 guests with the glimpse into the leadership and industries that are paving the way to make this generation of survivors the last.
